Hey Qubbutz

“WHO” as in WHO are you?

Hodoo הודו

This is the short form of הודו (טרנגול), or Indian (Chicken)

Homework: Repetition is very important. Get a notebook, and each day of the week, take a few minutes and think of your own examples for each of these Heh sounds. They can be at the beginning of the word like my examples, or the middle, or even the end.

Can anyone now read these words?

אָד

Vapor

דָּבָה

Slander

דָּג

Fish
