Bake me a cake, please,

---

With a Lemon topping.

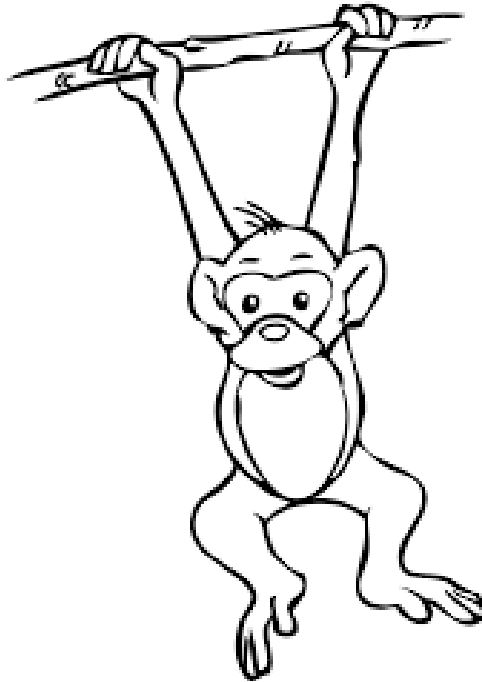

---

Take it to the oak trees,

---

With ne'er a thought of stopping.

---

קוף

Homework:

Repetition is very important. Get a notebook, and each day of the week, take a few minutes and think of your own examples for each of these Tsadee sounds. They can be at the beginning of the word, the middle, or even the end. It is now also important to consider the masculine (zakhar) and feminine (n'keyvah) aspects/variations of words.
