

Living Messiah Ministries Windmill Ranch, is located at 2932 S Windmill Ranch Rd, Bisbee Arizona 85603.

The ranch is near the Bisbee Airport and about a 15 minute drive from a grocery store, hardware store and small medical center located in the historic town of Bisbee.

Bisbee was founded as a copper, gold, and silver mining town. A turquoise known as Bisbee Blue and other high quality mineral specimens that can be found in museums world wide have come from this mining town.

Bisbee has been named as one of the best historic small towns. "Old Bisbee" is home to the Copper Queen Mine, an underground mine tour experience.

The historic city of Tombstone is about a 30 minute drive from Bisbee. Tombstone has several old western tourist attractions, memorabilia shops, saloons and eateries that cover 3 blocks of shaded boardwalks. You will also find a museum housing the worlds largest rose bush tree with a canopy spanning almost 9,000 sq ft. The canopy is covered in cream white roses every year mid April.

Sierra Vista is about a 45 minute drive from the ranch and is considered the commercial center of Cochise county. You will find retailers such as Lowe's, HomeDepot, Ace Hardware, Walmart, Harbor Freight, Target, major grocery stores, Dillard's, Marshall's, and many smaller specialty shops. Canyon Vista Medical Center and Raymond W. Bliss Army Health Center serve the communities health care needs. Fort Huachuca, a US Army post is also located in the NW part of the city.
